

Wednesday 10th November

We are only a small school but like to provide the children with big opportunities! The children at Cheriton relish a challenge and enjoy all of the extra experiences that are planned for them by the incredible staff. This week's newsletter is jam packed full of upcoming opportunities and events so get your diary at the ready!

Mr. R. Scott

Face Coverings– Thank you to everyone for continuing to wear your face masks when entering the school site or dropping your children at Pre-School. You are helping to protect the most vulnerable and anxious members of our community .

ASTHMA

If your child has asthma please collect, complete and return a plan from Mrs McCracken, so we can ensure we are giving the correct care in school.

Accelerated Reader

We are currently working on how we use AR in school. We are busy trialling different things which we hope will improve the experience for the children. Please bear with us whilst we review which changes work best. Thank you. We will share more with you in early January .

Progress Award

A huge well done to:

- Hannah for all of the effort and extra practise you are putting into your maths.
- Sebastian for putting so much effort into your maths and science.
- Phoebe for showing such commitment to improving your handwriting
- Felix for all your effort in reading in school and at home

Early Reading

Mrs Squance would like to invite all parents from Class 1 for an Early Reading workshop. The school has recently started to use a new reading programme called Phonics Bug which enhances the learning experience for the children. This is a fantastic resource and will offer many opportunities for your child to engage with phonics beyond the classroom and develop their reading skills at home. Join us on Wednesday 17th November 3.30-4.15 in the outside area (children are welcome to come too). Children's 'log in' information will then be sent home.

Christmas

Pre-School and Class 1 are teaming up to present a joint Nativity performance. We will video this and make it available to families so that it can be enjoyed by all. We also intend to invite immediate families into school so that the children get the opportunity to perform in front of an audience, although this could change, depending on COVID guidance.

Classes 2, 3 and 4 are busy rehearsing festive songs, which we will release in the lead up to Christmas.

The PTFA have organised wreath making, a Christmas Fayre and a party for the children.

How it works:

1. Open the Amazon app on your phone
2. Select the main menu (=) & tap on "AmazonSmile" within Programmes & Features
3. Select Friends Of Cheriton Bishop Primary School as your charity
4. Follow the on-screen instructions to activate AmazonSmile in the mobile app

School Site

We have decided to lock the entrance gate to school when the cleaners leave the school site at the end of the day, we will unlock the gate at 8:40am the next day. We have recently found dog faeces in the playground on numerous occasions and obviously we do not want the children to have to navigate this. If the gate is locked in the morning please bear with us as we will open the gate as close to 8:40am as possible. Please remember that we have our Breakfast Club if you need to book your child in, which opens at 7:30am at a cost of £3.50.

School Photographs

This year we will be using DeeDee Photography instead of Tempest Photography to take the children's school photographs. The children will be having individual photographs taken, and they will be able to have family photographs with siblings in school. Unfortunately we will not be able to invite younger siblings into school due to Covid restrictions. The photographs will be taken outdoors on Wednesday 17th November, but should the weather be inclement the session will take place the following week on Wednesday 24th November.

Remembrance Service

On Friday 12th November we will be holding a Remembrance Service to mark Armistice Day, which will be held in the playground. We feel it is very important for the children to mark this occasion. Mr. Miners will play the 'Last Post'.

The collection box for the Royal British Legion will continue to be outside the school office every morning/afternoon this week.

We value learning in the great outdoors. Each and every week our Preschool, EYFS and Year 1 children join together for a walk at the nearby woods. During our Welly Walks this November, we will be celebrating the amazing author Julia Donaldson by exploring one of her fabulous books each Tuesday from the 9th to the 30th between 10-11am. We will be enjoying everything the outdoors has to offer and creating some lovely woodland crafts.

Whether you are new to us and would like to bring your child along or currently have a child who attends we would like to invite you to join us. Just give us a call to let us know your coming.
